The Honorable Tom Cole
Chairman
House Appropriations Committee
H-307, U.S. Capitol
Washington, D.C. 20515

The Honorable Rosa DeLauro
Ranking Member
House Appropriations Committee
1036 Longworth House Office Building
Washington, D.C. 20515

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Millikin Road Interchange in Fiscal Year 2025. The entity to receive such funding for this project is Liberty Township, Ohio, located at 5021 Winners Circle Drive, Liberty Township, Ohio 45011. The funding will be used for the physical construction of a new exit (26) off Interstate 75 in Liberty Township.

Liberty Township has been one of the fastest-growing communities in southwest Ohio over the past twenty years. This project is an appropriate use of taxpayer funds because the Millikin Road Interchange will alleviate congestion and unlock valuable economic development opportunities for southwest Ohio.

This project has a Federal nexus because the funding provided is for purposes authorized by 23 U.S.C. §133. The Millikin Road Interchange fits this eligibility because it would construct a new exit (26) off Interstate 75, decreasing congestion and improving traffic management.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Warren Davidson
Member of Congress
